INSTA-AWN
Conqueror's Insta-Awn offers an even faster set-up time with minimal effort. Utilising a uniquely designed frame with integrated drop-down legs the awning sets up in just a few minutes. It's design does not require any additional support poles and is manufactured using the highest quality materials that will endure the harshest conditions.

SHOWER & TOILET
The CommanderX features a unique shower that's level with the caravan floor and it folds out from the right hand door. Thus the shower is accessed from inside the caravan, but the associated water and damp are effectively outside. Internal slide out porta-potty - Say goodbye to inconvenient trips to public ablution facilities and hello to a new level of camping comfort.
